## Ariana O. Hall

Research: Synthesis of alkyl-substituted [n]phenacenes

Advisor: Frank B. Mallory

**Laboratory Lecturer** 

August 2020 ±present

Bryn Mawr College Department of Chemistry Bryn Mawr, PA

- x Teach and coordinate Organic Chemistry 1 and 2 Lab courses
- x Develop new experiments for Organic Chemistry 1 and 2 Lab courses

Lecturer A and Pre-health Advisor

August 2018 ±August 2020

University of Pennsylvania School of Liberal and Professional StuSt4 TJ 11(a)-38tl ofn-

## baccalaureate students

Teaching Postdoctoral Fellow

May 2017 ±June 2018

University of Michigan School of Literature, Arts and Sciences Department of Chemistry Ann Arbor, MI

- x Taught and collaborated in developing the curriculum and course manual for Organic Chemistry 1 Lab
- x Designed and taught a two-week summer camp for high school students about polymer chemistry as part of the Michigan Math and Science Scholars summer program

Graduate Student Instructor

2012 <del>£</del>2013

University of Michigan

Organic Chemistry I Discussion Leader (1 semester)

Organic Chemistry II Laboratory (1 semester)

Organic Principles (graduate level physical organic chemistry, 1 semester)
